

Summer Serenade

A concert celebrating local talent of all ages

featuring the

Chiltern West Gallery Quire

The Quire sings in the traditional 'four parts': Soprano, Alto, Tenor and Bass and is supported by a range of instruments. Their aim is to bring this largely forgotten music back to the towns and villages where it was once sung and loved. They will be using archive material and literature related to Kelshall to create a hugely enjoyable experience.

**at St Faith's Kelshall
on the evening of July 15th starting at 7.30pm**
